13th November 1995

Rt Hon William Hague MP
Secretary of State for Wales
Gwydyr House
LONDON
SW1A 2ER

Dear William

I understand that there has been a death of a farmer from North Wales from Creutzfeldt-Jakob Disease.

As you will appreciate this death has created some concern, particularly as the farmer in question is reported to have had a herd infected with Bovine Spongiform Encephalopathy.

Could you tell me what investigations the Welsh Office is undertaking into this matter?

Yours sincerely

[Signature]

Ron Davies MP
